Dear Mr. Gaspard:

On behalf of the Department of Education, especially the Edith Williams Alternative Academy, permit me to say a hearty thank you for the Teachers' Appreciation Luncheon held on March 19, 2008, during our faculty meeting. The food was delicious and enjoyable.

Truly Southland Gaming, partnering with the Department of Education, continues to be a source of strength and support for students, faculty, and staff. This partnering is indeed a win win situation for all.

May God continue to bless you in all your endeavors.

Sincerely,
