Dear Ms. Gaspard:

The Governor and I were pleased to host in recognition of Senior Citizens Month a series of special luncheons honoring Senior Citizens during the month of May. Your personal assistance in helping facilitate the success of these events is very much appreciated, and I thank you for your efforts in helping us celebrate so distinctly with all the wonderful standard bearers in our community.

I look forward to hosting similar celebrations honoring Senior Citizens again next May, and hope that we can count on your support and assistance for those important activities. Once again, thank you for your diligent efforts. It was truly a wonderful celebration of food, family, and community.

Sincerely,
